

# Undergraduate Research Assistant

Two research assistant positions are available at the Advanced Sensor Technology Lab, supported by the National Science Foundation's Research Experience for Undergraduates (REU). Junior or sophomore students majoring in Mechanical Engineering, Aerospace Engineering, Physics, or Electrical Engineering are preferred.

## **Qualification Requirements:**

- Must be US citizen or permanent resident (green card holder);
- A Minimum GPA of 3.5;
- Hands-on experience with manufacturing or measurement instrumentation is a plus;
- Be able to work 8 hours per week. Flexible schedule.

To apply for this position, please email you CV and transcripts to Dr. Oleg Bobrenkov (oleg.bobrenkov@uta.edu)
